

For 21 years, the Bazine Picnic has brought together neighbors, friends, former residents, and visitors for a day filled with laughter, memories, and small-town fun. What started as a community celebration has become a tradition that many look forward to each summer.

As we prepare for another great year, we want to extend our heartfelt appreciation to those who have supported the Bazine Picnic in the past and invite you to continue being a part of this special event. Your generosity has helped make each picnic bigger, better, and more enjoyable for everyone who attends.
