

# New Mobile App Available!

[app.nesscountyks.gov](http://app.nesscountyks.gov)

**Scan to Install**

Or follow the instructions below

## Installation Instructions

### iPhone & iPad (Safari Required)

1. Open **Safari** browser
2. Navigate to the app using QR code
3. Click Share, then click More
4. Scroll down and tap "Add to Home Screen"
5. Tap "Add" in the top-right corner

**Note:** iOS only supports installation through Safari browser.

#### Successfully Installed When:

App icon appears on home screen with official county Logo  
Opens like a native app without browser address bar

### Android (Chrome Recommended)

1. Open **Chrome** browser
2. Navigate to the app using the QR code
3. Look for the install prompt at the bottom
4. Tap "Install" or "Add"

**Alternative:** Tap the menu (?), then select "Install app" or "Add to Home screen"

#### Successfully Installed When:

App icon appears on home screen with official county Logo  
Opens like a native app without browser address bar
